CHICAGO, July 21 .- The Yankees had in afternoon to while away as they pleased here to-day, and habit overcame them. They went to a ball park. This time it was not to White Sox Park. where they are scheduled to spend the next four afternoons, but to the home of the Chicago Federal League club. where Joe Tipker's Chifeds and Lee Magee's Brookfeds were grappling in a double header. It was the first chance the Yanks have had to gaze upon Fedthe Yanks have had to gaze upon Fed-eral League ball this season, and most of them accepted the opportunity. Man-ager Donovan, about a dozen of the players and Trainer Jimmy Dugan seemed to enjoy the change of looking at a game from the grand stand in-stead of from the bench.

Donovan received word shortly after his arrival here yesterday morning that the double header of the present series would be played to-morrow. The Yanks

ould be played to-morrow. The Yanks would be played to-morrow. The Yanks missed one game here during the other Western trip and it was thought that the double header would be played either Saturday or Sunday, until official announcement was made yesterday. According to a Chicago paper the White Sox are plannig on taking no less than five out of the five games with the Yanks.

Several additions to the New York party will be made to-morrow. Col. Jacob Ruppert, Capt. T. L. Huston and Business Manager Harry Sparrow are due here on a morning train and Out-fielder Edward Barney also is expected to report to Manager Donovan. First Baseman Walter Pipp, who was injured Baseman Walter Pipp, who was injured during the recent series at Detroit, is due to rejoin the Yanks here, but it is mot certain that he will be able to play.

Charley Farrell, who started the season as coach of the Yankee pitchers and later was sent out to scout through the middle West, caught up with the Donovan forces here yesterday after an absence of two months. He will report on several players when he meets the New York owners here to-day. Farrell is York owners here to-day. Donovan's hospital list has received suffering from a severe spike wound incurred while Walker of St. Louis was trying to steal second base in the last game of the series. Baumann spent the off day at his home in Indianapolis and may not be able to resume playing for a few days.

It is likely that Shawkey and Warhop will be sent against the White Sox in the double header to-morrow. This

hop will be sent against the White Sox in the double header to-morrow. This was Donovan's intention to-night, but he may change to Fisher or Caldwell after the pitchers warm up to-morrow afternoon. All four have had sufficient rest to work the full route.

The Yankees leave here Sunday night and are due in New York the following.

Both Managers McGraw and Robinson are very desirous of improving their chances during the last home stand for some time to come. Their teams take the road next Monday night for the second Western trip. To knock down the strong Western clubs at this time should go far toward fortifying them in the first division against the possible mishaps of a long jaunt through hostile territory, where every game is likely to be a real battle.
